

Reference: A11 Chippenham - Mildenhall

23 September 2019

Dear Sir / Madam

NOTIFICATION OF START OF WORKS – A11 Chippenham to Mildenhall

I am writing to introduce Graham Construction Ltd as the principal contractor working on behalf of Highways England. We will soon be carrying out work along the A11 between Chippenham and Mildenhall, which includes carriageway repairs and the refreshment of road studs and markings.

Works will commence around early November 2019 and are due to last approximately two weeks. We will continue to keep you informed of the work as it progresses and advise you of any changes to our programme or traffic management if required. A further letter with greater detail setting out our upcoming works and diversion routes in your vicinity will be delivered in advance of the scheme starting.

Whilst we appreciate that disruption on any scale is not ideal, we will be working between the hours of 8pm and 6am to help minimise this.

If you have any questions in relation to this letter, please feel free to contact us via the Highways England Customer Contact Centre on 0300 123 5000, or via email at info@highwaysengland.co.uk

Yours sincerely

Jonathan Wright
